

BADGES, BANNERS AND NAMEPLATES

Plastic or metal badges identify staff members

Personalized with style, individual names can be engraved into the surface of the badge, revealing inner core colors. Metal badges last longer.

See Plastic Engraved Name Badges below for color choices.

Standard Nameplates

Desktop and wall plate signs provide a clean, modular method of identifying rooms and individuals. Choose high luster gold or silver holders and a variety of engraved insert colors.

Metal Name Badges

Exquisite brass or aluminum-plated steel badges complete with magnetic fasteners. Other fasteners available upon request.
