

# DEPOSIT TICKETS

DT

## Compliant with bank specifications

Carbonless deposit tickets are available in 1-, 2-, 3- and 4-part sets. Sets are bound into books with a wraparound cover for convenient use and storage.

Select the format that best meets your needs:

- DT style includes a small description area and larger space for dollar amounts.
- DTR style includes a wider description area with a scannable total deposit amount only.
- DTS style is completely scannable and complies with ANSI X9.33 voluntary standards for image processing by banks.
