

## *FasTRAK®... compact, portable and convenient*

When you need a manual check, get FasTRAK®. The handheld on-the-go check-writing system from Safeguard.

### Bookkeeping On The Go

- Data transfers to the register as you write checks, reducing the risk of errors
- Plenty of room to write transaction details on register
- Pen holder ensures you always have a pen when you need it
- Built-in calculator lets you “do the math” on the go
- Back pocket stores receipts and notes

### Kit Contains:

- 150 single checks
- 15 check registers
- 100 double-window envelopes
- 100 2-part or 80 3-part booked deposit tickets
- 1 FasTRAK® Plus board with pen and calculator in clear pocket
- 1 pre-inked endorsement stamp

- **Compact**
- **Portable**
- **Convenient**
