

Postcards

Front

Photo postcards

Select from two formats and seven layout options! Full-color postcards provide an economical way to communicate your message to customers and prospects and make your mailings stand out! Postcards are 4" x 6", printed on durable 12 pt. stock-coated on one side.

Back

Make the most of your marketing dollars. Add a message or promotional offer to the back of your postcards.

Postcard with Framed Image 3916

This is an example of 3916, Layout F, featuring customer's photo and contact information. Printed in blue ink.

Postcard with Large Image 3986

This is an example of 3986, Layout E, featuring customer's photo, contact information and free business design. Printed in green and black ink.
