### Safe-Trak® Gift Certificates

The Safe-Trak® system is the easiest, most comprehensive gift certificate system available. Writing the gift certificate simultaneously updates the journal and provides a summary of all transactions.

- Easily cross check certificates being redeemed back to the original entry to help prevent fraud.
- Quickly identify unredeemed certificates.

#### Possible Uses:

- Welcome gifts
- Attract new customers
- Future purchase discounts
- Return credit vouchers
- Birthday/anniversary gifts
- Promotional inserts
- Charitable contributions

FREE promotional displays with all gift certificate kits

Advertise your gift certificate program with point-of-purchase display kits from Safeguard.
