Payroll/Disbursement System (APD-35)

Ideal system for small businesses that use a single bank account for both payroll and accounts payable. Switch from general disbursements to payroll by simply inserting a payroll earnings record card. This system offers a better way to pay employees and vendors.

APD-35 Payroll/Disbursement System

MANUAL FORMS
Purchase orders, sales orders and general receipts come in carbonless, edge-glued and snap-set styles. Customize them for your way of doing business!
