

H. Rainkist® Caddy Cover

Item # 15014

From the #1 umbrella manufacturer, a "must have" golf accessory, especially designed to protect golf clubs and bags. Don't worry about wet equipment again. Multiple locking sections in the shaft allow three different lengths. Built-in spring on the shaft allows easy access to clubs while they are safely covered. Umbrella returns to original upright position once released. Recessed ribs protect clubs and frame. 41" folded. Rubber handle for easy gripping. Pinch proof runner to protect fingers. Various colors.

I. Page & Tuttle® Microfiber Windvest

Item # 1550

90% polyester/10% nylon microfiber sanded twill with a water-resistant finish. Crossover v-neck 1x1 rib collar. Two on-seam pockets. Page & Tuttle® logo at back neck. 1x1 rib bottom band. Colors: black, birch and navy.

J. Page & Tuttle® Performance Waterproof Short Sleeve Windshirt

Item # 1715

Waterproof, breathable short sleeve windshirt. 100% poly microfiber, 2000 mm non-porous hydrophilic coating with poly mesh body lining. Sealed seams, zip placket with outside and inside storm flap and Velcro®. Raglan, hemmed short sleeves. Color block front and sleeves, two hidden front zippered slant pockets with grosgrain zip tabs, cape back construction for ventilation, oval Page & Tuttle® PVC patch on back cape. Drop tail hem with elastic cord and barrel stopper. Colors: black w/medium grey, fog or fog w/navy and red.
